RE: New York State Street Address
Mapping RFP DHSES/OCS 01-2012
Vendor Selection Notification

Dear Ms. Kim Paxton:

I am pleased to inform you that the New York State Office of Cyber Security has finished the evaluation and award process pursuant to the criteria set forth in the above-referenced RFP. In accordance with Section 4 of the RFP, the “award of the Contract resulting from this RFP will be made to the qualified Bidder whose Proposal is determined to provide the “Best Value” based on the objective and quantifiable analysis as described herein this Section 4, with thirty percent (30%) of the overall award based on the Bidder’s Financial Proposal and seventy percent (70%) of the overall award based on the Bidder’s Technical and Management Proposal.” As a result of this process, OCS is proposing award to **Intrado, Inc.** Congratulations to you and your team.

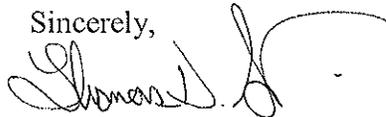

This proposed award is contingent upon:

- Intrado, Inc. providing all required documentation under the RFP, including, but not limited to, executed Sales Tax Certifications (see RFP, §5.22), Consultant Disclosure Form A (see RFP, §5.33; Appendix H), and proof of workers’ compensation carrier coverage (see RFP, §5.09; Appendix H);
- Successful contract negotiations between the parties; and
- Subsequent approval of the resultant contract by the New York State Office of the Attorney General and the New York State Office of the State Comptroller.

We wish to begin contract negotiations between appropriate Intrado, Inc. executives and staff of OCS as soon as possible. To that end, Joseph Martucci will contact you shortly to schedule a conference call.

We look forward to completing the contract and working with your firm on this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas D. Smith", with a large, stylized flourish extending to the right.

Thomas D. Smith
Director
